立 中学校
義務教育学校 氏名

This image shows a full page of graph paper. It features a uniform grid of small squares. On the right side, there are four major horizontal lines that divide the page into three sections. These lines are labeled with their respective y-axis values: 100, 200, 300, and 400. The labels are positioned to the right of the lines. The rest of the page is covered by a continuous grid of smaller squares, suitable for plotting or drawing.
